Edgar-Baby ~~it~~ didn't (or wasn't the first) to open this one. Inadvertently I put something in it intended for another letter and caught it before the goo set. A copy of the RK letters is enclosed. I've also sent to Harv, so spend nothing on copies. The books cannot make today's mail but will be at the P.O. today to go out Monday. I've stayed away from the Vaganov bit, haven't seen Esquire. I do not believe it, from what little I know of it. If I forgot, KSL Friday 7/28. Your 7/20 arr. today. If you hear from the people I referred to you, please let me know.
